

Subject line: The social recruiting solution that does it *all*

Hi (first name),

By now, you've probably heard about the latest version of our social recruiting platform. But did you know that if you sign up now, you'll get **one month free?**

Curious what you can expect from the latest iteration of CareerArc? Here's just the tip of the iceberg:

- A comprehensive content studio that allows you to upload images from your own libraries or select an image from Pexels, as well as edit it.
- Seamless integration with all your daily work tools, like Dropbox, Google Drive, SharePoint, OneDrive, YouTube, and Vimeo.
- Powerful employer brand campaigns that highlight your employee spotlights, promotion shoutouts, career fair announcements, DEI content, culture and values, and more.
- Analytics that measure your overall social recruiting strategy and offer suggestions.
- And so much more.
